

KIRTLAND FLIGHT SIMULATOR FACILITY

Kirtland, New Mexico

- A Flight Simulator Facility located at the Air Force Base in Kirtland, New Mexico.
- Nudura ICFs contributed to the project's LEED Silver Certification by improving overall energy efficiency, water-efficient landscaping, enhanced commissioning and refrigerant management, waste recycling, and thermal comfort design.
- Nudura was used for the tall simulator bay walls and all the exterior walls of the lower administration area. Nudura forms enhanced the structure's strength, longevity and energy efficiency.
